

## **MARFORCYBER Staff Judge Advocate**

Marine Corps Forces Cyberspace Command (MARFORCYBER) is soliciting applications from interested reserve components judge advocates for Active-Duty Operational Support (ADOS) orders for 9 - 12 months beginning any time between June and October 2025.

### **Position Description / Requirements:**

- Provide command legal advice to CG, subordinate Commanders, and staff for MARFORCYBER, MARFORSPACE, Marine Corps Information Command (MCIC), and Service Cryptologic Component.
- Provide advice on all command legal issues including operational law, administrative and personnel law, as well as all statutory and regulatory requirements to include: pre and post-trial advice, officer misconduct issues, and NJP appeals.
- Serve as Command Ethics Counselor, advising and training the command as required.
- Provide legal advice and review for intelligence activities.
- Serve as standing OPT and CAT legal representative.
- Coordinate with USCC, USSPACECOM, SOCOM, JAD HQMC, and other joint/interagency partners to ensure full spectrum legal support to MFCC/MFSC/JFHQ-C/MCIC/SCC.
- Develop and represent command and service positions on emerging legal questions regarding cyber and space operations.

### **Application Materials:**

Interested Officers should submit the following to LtCol White at [bawhit7@nsa.gov](mailto:bawhit7@nsa.gov) for review and coordination.

- Brief personal statement / correspondence indicating why the officer wants to apply, and what makes them a good fit for the opportunity.
- Security Manager verification of current security clearance (Naval Letter Format).
- Reserve Qualification Summary (RQS)
